Behavioral Health Improvement Collaborative DY4
Outcome Measurement Commitment Form

All RHP9 providers are expected to report for each project a minimum of one of the regional outcome measures that will be aggregated into a monthly RHP9 progress report. Outcome measures will be reported to the RHP9 Anchor office on a monthly, quarterly, or annual basis as appropriate for their project. Please select a minimum of one outcome measure to report and return to margaret.roche@phhs.org by Tuesday, September 2, 2014.

Team's Select a minimum of one Outcome Measure from below to report on a monthly (or as appropriate) basis to the Anchor:

- ☐ Number of behavioral health patients assigned a primary care provider
- ☐ Number of patients with shared behavioral health and primary care plan of care
- ☐ Number of patients screened for depression in PCP setting
- ☐ Number of primary care encounters within the behavioral health setting
- ☐ Number of telehealth/telemedicine encounters
- ☐ Behavioral health 30 day readmission in target population
- ☐ Behavioral health patients re-incarcerated
- ☐ Patient satisfaction scores
- ☐ Number of patients screened for intervention outcomes (i.e., diabetes, blood pressure, Quality of Life, PHQ9)
